Great, well we work with houses like yours a lot. Now the way we normally do it,
like I mentioned before, is that we buy the house from you with owner financing
or on a lease purchase. Some people call that "rent-to-own." A couple great
things about how we do it are that we pay a good price, and we guarantee to take care
of all the repairs and maintenance on the house. That way you're free of it and you can just move on.

Doesn't that sound good/great? **YES NO** (circle one) (YES or NO, Assistant GO TO **)
